What Are Our Fees And Who Pays

Our fees for acting for you are your responsibility. If we are successful in obtaining an acquittal then we will make an application to the court for your costs to be paid from the Central Fund. This will mean that we will submit our costs schedule to the National Taxation Team for their assessment. Any shortfall will be payable by you.

We will inform you of the costs incurred on a six monthly basis, however, details can be provided at any stage at your request. You have the right at any stage to ask us to limit our costs to a certain figure and we may send you an account for expenses that we incur on your behalf as they fall due, including any expert fees aka disbursements.

Our fees are worked out on the amount of work that we do on your case and are not fixed. Our charging rates are as listed below.

Preparation and Attendance	£ 150.00 per hour
Letters out and Telephone Calls in/out	£ 15.00 each
Advocacy	£ 150.00 per hour

The above is exclusive of VAT currently at 20%.

Disbursements

Disbursements are the costs payable to the third parties such as experts. Occasionally we may seek to instruct an expert report or if the matter is being dealt with at Crown Court then the barristers fees. Any disbursements incurred in respect of this will be in addition to our fees.
